

Lab and Manufacturing Technician

Healionics specializes in applying our tissue integrating engineered biomaterials to enhance implanted medical devices. We are seeking a talented, hands-on, detail-oriented technician with production experience in a cleanroom environment to accelerate our process development and carry out manufacturing activities. Healionics is located in the city of Seattle.

Responsibilities

- Carry out materials and device prototyping and production in a cleanroom environment according to ISO 13485 and GMP quality standards.
- Fabricate samples by casting silicones, dip coating, and sintering plastic powder.
- Perform ongoing manufacturing by following specific work instructions and completing all production related documentation.
- Assist in experiments to optimize chemical and physical properties of materials.
- Conduct process qualification and validations runs.
- Calibrate and maintain process equipment.
- Technical interface with R&D as needed to incorporate changes to manufacturing processes.
- Maintain excellent documentation in conformance with regulatory requirements.
- Perform other duties as determined necessary and appropriate by supervising staff.

Qualifications

- Bachelor degree in Life Science, Mechanical Engineering, Chemical Engineering, Biological Engineer or related major.
- 2 years or equivalent of experience working in a medical device/chemical environment.
- Experience in lab and cleanroom environments, operating centrifuges, chemical extraction and other equipment
- Strong attention to detail and precision while working independently.
- Ability to learn quickly, anticipate needs and adapt to unforeseen changes.
- Experience with QC and regulatory requirements in a medical device manufacturing operation
- Motivated, self-starter to work in a small company within a dynamic environment
- Experience with PC environment including Microsoft Word, Excel, PowerPoint and Outlook.
- Excellent written and verbal communication skills.

Principals Only. Email resume with cover letter to hr@healionics.com. No phone calls please.
